HP Coated Paper

HP Coated Paper is perfect for color-accurate every-day prints, working comps and design proofs. This premium bright white paper offers excellent handle-ability enabling technical professionals to roll or stack time-sensitive documents as soon as they come off the printers.

Target customers
- CAD
- AEC
- GIS
- Graphic artists and Designers
- Print service providers

Applications
- Posters and Presentations
- POP and Retail Displays
- Geographic Information Systems (GIS)
- Architecture (AEC) and Engineering (CAD)

Benefits
- Perfect prints every time
- Excellent handleability
- Dye and pigment ink compatible
- Metric-sized media[1]
