

# Microsoft Ocean Plastic Mouse

Fact Sheet  
October 2021

## Meet the Microsoft Ocean Plastic Mouse.

The Microsoft Ocean Plastic Mouse is a small step forward in Microsoft's larger sustainability journey. The shell is made with 20% recycled ocean plastic, a breakthrough in materials technology that begins with the removal of plastic waste from oceans and waterways. This product's small box is 100% recyclable.

## Top Features and Benefits

- **Sustainable material innovation.** Recycled ocean plastic is made from plastic waste that is recovered from oceans and waterways, cleaned, and processed into recyclable plastic resin pellets. These recycled pellets are blended in during the materials development process that makes the shell of the mouse.
- **100% recyclable packaging.** The small box is plastic free and made from recyclable wood and sugarcane fibers.
- **Reduce device waste.** In select markets<sup>1</sup>, Microsoft offers a free mail-in program for consumers to send in their old mouse to be recycled through contracted partners. Learn more at [aka.ms/MouseRecycle](https://aka.ms/MouseRecycle)
- **Wireless freedom** with Bluetooth connectivity and **up to 12 months of battery life** from a single AA battery.
- Complete mouse experience with easy **left/right click buttons**, fast-tracking sensors for **precision navigation** and an **integrated scroll wheel** to help customers vertically navigate their pages

## Technical Specifications

Product Design	Length: 100.4 mm Width: 58.2 mm Depth/Height: 38.3 mm Weight: 84 g Material: Shell made with 20% recycled ocean plastic Three customizable buttons Swift Pair for easy mouse-to-computer pairing
Compatibility	Windows 11 Home/Pro, Windows 10/8.1 Device must support Bluetooth® 4.0 or higher  Customization of buttons only available using Mouse and Keyboard center software (download required), not available on devices running Windows 10/11 in S mode.
Network	Bluetooth® Low Energy compatible 4.0 / 4.1 /4.2/5.0
Wireless Range	2.4 GHz frequency range 33 feet (10 meters) in open area; up to 16 feet (5 meters) in typical office environment
Power Supply	Battery (see below)
Battery	1 AA alkaline battery (included and pre-installed); Up to 12 months (Battery life may vary based on user and computer conditions)
In the Box	Mouse Battery Quick Start Guide Safety and warranty documents
Warranty	One-year limited hardware warranty <sup>ii</sup>
