# HP Everyday Glossy Photo Paper

**HP Everyday Photo Paper delivers colourful, everyday photo projects at a low cost. This recyclable, glossy paper dries quickly and can be used with any inkjet printer. Use HP Photo Creations software to create calendars, photo cubes and more.**

**Ideal for customers who want a budget-friendly photo paper that satisfies their environmental concerns and meets their home printing needs.**

Print and share photo projects affordably. This low-cost photo paper works with all inkjet printers – ideal for spontaneous home photos and school. Use HP Photo Creations software to turn snapshots into photo cubes, calendars and more[1].

Print colourful photo projects you can enjoy straight off the printer, using a fast-drying photo paper. Prints dry quickly for easy handling. Photos appear crisp and vivid when printed on a smooth, glossy finish.

Support responsible forest practices with paper made from FSC-certified fibre. Conserve resources by recycling – this photo paper can be recycled in consumer collection systems that accept drink cartons[2].
