

HP Coated Paper - Universal

HP Coated Paper - Universal is designed for graphics in a variety of applications. It can be used for signs and posters that are frequently changed or replaced. It offers high quality images at a low cost with no glare and fast drying times. Also, it is ideal for technical applications.

- An economical paper with fast drying time.
- Creates vivid colours.
- Ideal for high quality drawings.
- Excellent lightfastness and sharp images.
- HP Coated Paper - Universal can be laminated and mounted.

Graphic artists, designers, print service providers can use HP Coated Paper - Universal for posters, presentations, POS and retail displays and geographic information systems (GIS), architecture (AEC) and engineering (CAD) applications.

HP Coated Paper - Universal
